\$\$ Where you see this symbol, two or more exams are scheduled at the same time. If you study both of these subjects, you will be expected to sit one exam after the other with a short supervised break in the middle. It is advisable to bring a drink and a snack with you in order to maintain your concentration levels. If you have any further concerns regarding a clash of exams, please see Mrs Graham or Mr Johnson (the Exams Officers) in the office by the Headteacher.

Where you see this symbol, please remember to make later travel arrangements, where necessary. We cannot guarantee a 3.00pm finish for these exams.

You must ensure that you have the correct equipment for all of your exams. A **BLACK** pen will be needed to write with, and any other equipment you may need will have to be put in a clear pencil case/plastic bag or carried loose. Calculators (where allowed) must have their lids removed. Any drinks bottles must have their labels removed. Mobile phones, smartwatches, iPods and other electronic devices are strictly prohibited. All wristwatches must be removed from your wrist and placed on your desk so that they are in clear sight of the invigilators.
